

TOSHIBA

Multi Band Radio With USB TY-HRU30

SKU: TY-HRU30

CLASSY DESIGN

Light weight retro design, designed in Japan. Wooden Cabinet Design comes with black,

wood and silver colors that give a sleek look. Large buttons gives you ease of operations and can be used by all ages. Hand strap provided gives you the convenience to hold and carry the unit with ease.

CHOICE OF OPTIONS

Multi band frequency sensitive model that tunes FM, AM, MW and SW1-6. Powerful antennae offers high sensitivity, that picks up the weakest of broadcasting signals even in remote locations to give a clear output. You also have an option to listen to mp3 through USB input.

POWER SUPPLY

Has both options of AC and battery operated mode. This gives you the choice of using the unit both at home or anywhere you travel. The 3V DC, R20 Batteries offer uninterrupted service for more than 3 hours on medium volume.

SOUND

9cm (8 Ω) mono speaker offers good quality sound with good bass and treble. 3.5 mm earphone jack is also available that gives you the option for a more personal use of the unit.
