Using Toshiba's signature technologies, RZE-BT700E is engineered with powerful 8 mm dynamic drivers that let you float with the crisp highs, balanced mid and deep & rich lows of music. This offers great HD sound and enhanced bass experience for every bass lover.

The RZE-BT700E has inbuilt Bluetooth 4.1 EDR for 2 to 3 times faster data transfer between devices that enhances your music listening experience. Bluetooth 4.1 enables the earbuds to automatically connect to your device on switching on and offers a stable and consistent wireless connection without any dip in sound. The range offered by the Bluetooth is around 10 meters or 33 feet that helps you to move around without fearing call drop. The earbuds offer up to 2.5 hrs of music playback time or 3 hrs of talk time with charging time of only 1.5 hrs.

SLEEK DESIGN

In-ear perfect fit design not only offers perfect sound experience but also enhance your image with its sleek elegance. Buds are so designed for perfect ear grip and at stunning 4 grams; each earbud is just weightless, reducing ear fatigue. The perfect seal design offers good noise suppression and bass response.

Earbuds are water resistant that makes it your perfect companion for your adventures, sports or daily workouts. You also have the option of mono calling i.e. one earbud can be used to make or answer calls. The RZE-BT700E are available in 4 fashionable colors namely black, white, rose gold and turquoise to suit the tastes and preferences of all ages.

The fashionable carrying case also doubles up as a built-in power bank to give many hours of uninterrupted service. The case also has indicator lights to check the charging status of the case as well as the earphones making it convenient for you to charge the case as and when required.
