### **OUTSTANDING PERFORMANCE IN ANY CIRCUMSTANCE**

Toshiba presents RZE-BT180H, a unique wireless, Bluetooth headphone that not only looks great but sounds great too. It is a perfect blend of form and function, giving you the best audio experience. Suitable for both home and office use, this is a great headphone for those who admire versatility.

The RZE-BT180H offers impressive and immersive Hi-Fi sound quality with its closed-back design and 40mm driver. The in-built options to play, pause, forward and rewind music make it a true hands-free device. RZE-BT180H also offers good noise-cancellation performance (CSR chipset), without damaging sound or draining the battery. The built-in, noise-rejecting dual-microphone system gives you super clear phone calls even in noisy environments, making this headset suitable for office use as well.

### **HIGH-END TECHNOLOGY PAVING THE WAY**

With advanced connectivity options, RZE-BT180H employs Bluetooth Version 4.2 + EDR, that lets you stay connected wirelessly. These headphones are compatible with a wide range of devices and enable simple pairing with smartphones, tablets, TVs and other Bluetooth devices. With an impressive range of 33 feet, they bring you crystal clear sound regardless of where you are seated. RZE-BT180H also gives you the option to connect to 2 devices at the same time, preventing the hassle of re-connecting devices.

### **CHARGING**

Equipped with a USB DC5V port, a single charge (3 hours to full power) provides up to 13 hours of uninterrupted audio playback.
